Objectives

In order to put my academic knowledge to use in the real world and obtain practical experience in the hospitality industry, I am a committed student studying a Bachelor of Science in Hospitality Management. I want to help a dynamic team by offering my experience in event planning, hospitality management, and customer service. Aiming to provide outstanding guest and customer care while supporting business goals, developing professionally, and learning from industry professionals.

Qualification Highlights

As a student of Hospitality Management, I bring a versatile skill set and creative flair to the table. With a passion for music abilities, I excel in time management, ensuring deadlines are met efficiently. I possess strong problem-solving skills, adept at analyzing situations to find effective solutions. My adaptability allows me to thrive in diverse environments, making me a valuable asset in any hospitality setting.
